Sir:

This is in response to the Official Action of January 23, 2008, in connection with the above identified application. This response is timely filed.

The Official Action is a restriction requirement in which it is urged that there are three separate and distinct inventions claimed in this application. Applicants elect the Group I invention which includes claims 2, 3, 6, 10, 11, 14, 18 and 21-23, without traverse. Applicants reserve the right to file one or more divisional applications on the non-elected inventions at a later time.

In view of the election of the Group I invention, without traverse, an early and favorable action on the merits is now believed to be in order and is most respectfully requested.

Respectfully submitted,
